Jordan Hashemite Charity Organization

To Whom It May Concern,

We are pleased to provide this letter of recommendation in support of United Mission for Relief & Development (UMR) with whom we have worked on multiple occasions in the context of humanitarian and relief operations.

Based on our experience, UMR strives to uphold humanitarian principles and continuously improve its operational performance. We consider them a cooperative and credible partner and view our engagements as constructive and complementary.

This letter is issued upon the request of UMR and does not constitute an endorsement, certification, or assumption of responsibility for the activities, performance, or obligations of the organization.

Handwritten signature in blue ink.

Secretary General
